

Vyoma Linguistic Labs Foundation

Position and role: Linguist

Reporting to: Chief Linguist Scholar

Interfaces with: Technology, Publications, Teachers, Volunteers

Overview:

We are seeking a skilled and dedicated Linguist to join the Vyoma Linguistic team. In this role, you will be responsible for creating engaging and accurate content for various courses and publications. The ideal candidate will possess a strong background in Sanskrit language and grammar, a keen eye for detail, and the ability to deliver content that meets the highest standards of accuracy, authenticity, and presentation.

Roles and Responsibilities:

1. Course Content Development:

- Prepare presentations, scripts and other teaching materials for courses delivered through Vyoma Samskr̥ta Pathasala, ensuring alignment with the principles of Samskr̥ita Samskr̥iti Samskr̥āra.
- Collaborate closely with teachers and subject matter experts to create structured learning materials and exercises.

2. Publication Content Creation:

- Create content for publications based on courses delivered through Vyoma Samskr̥ta Pathasala, ensuring adherence to Vyoma standards of publication.

3. Review of E-learning and promotional content:

- Review content of course pages and promotional materials prepared by other teams for linguistic accuracy.

Key result areas:

- Deliver error-free content adhering to process, quality, timelines and standards.

Eligibility

- Graduate or post-graduate degree in Sanskrit with 0-3 years of experience.
- Strong skills of grammar and sentence construction.
- Ability to write & converse in simple, standard Sanskrit.

Skills Required:

- Sanskrit typing
- Use of OCR, AI and other tools for Sanskrit
- Content development using Powerpoint, Word, Excel and other tools
- Proofreading with eye to detail and accuracy
